Vladyka Seraphim

Archdiocese of Canada

Charitable Fund "Children's Hospice"
155 A, Naberezhnaya reki Fontanki
190068 St. Petersburg, Russia

Your Grace, dear Vladyka Seraphim,

On behalf of myself and the staff of the Children's Hospice of Saint-Petersburg, I thank you and our brothers and sisters in the Archdiocese of Canada Orthodox Church in America for your generous gift of \$3000.00. We have received this contribution via Father Dennis Pihach, and now we will be able to purchase the electroencephalographic analyzer ENCEPHALAN 131-03. As we care for many children and adolescents suffering from brain traumas and neurological pathologies, this device is of great help for our care givers.

The electroencephalographic analyser is intended for functional diagnosis and neurological intensive care. It provides a high-quality data analysis for emergency care and a unique opportunity of concurrent recording and analysis of electroencephalograms, impedance plethysmograms and ultra-slow scalp activity (electrode impedances and slow potentials).

Thanks to your contribution, we will be able to improve the level of care we provide to our patients. We deeply appreciate your support and thank you for helping us to make sure the necessary care is available to those most in need.

Our special thanks to you for placing information about Children's Hospice on the website of Archdiocese of Canada.

We keep you in our thoughts and prayers and ask your blessings to continue our ministry to sick children.

With love in Christ,

Rev. Alexander Tkachenko
